Educating All Students For Success

Action

April 9, 2015

TO: All Principals

FROM: Barbara Johnson, Director, Health and Physical Education

SUBJECT: School Health Advisory Council 2015-2016 Registration

---

According to Board Policy BDF (LEGAL), a local School Health Advisory Council (SHAC) shall be established to assist the district in ensuring that local community values are reflected in the district's health education instruction. The district is currently accepting registration forms from parents and representatives from community organizations to serve on this advisory council. According to state requirements, "the majority of the members must be parents of students enrolled in the Dallas ISD and must not be employed by the district."

Please provide the attached registration form to interested parents or community partners affiliated with your school. The deadline to submit the registration form is Friday, May 29, 2015.

If there are questions or if more information is needed, please contact Barbara Johnson, Director of Health and Physical Education, at BARBARAJOHNSON@dallasisd.org or by phone at (972) 925-6719.

SHAC

The Dallas ISD School Health Advisory Council (SHAC) is seeking new parents and community members who have a vested interest in children's health. This council serves in an advisory capacity to ensure that local community values are reflected in health-related curriculum and programs for the district. They do not have any legal responsibilities within the school system, and SHAC members must be approved by the Board of Trustees and comply with written by-laws of the organization.

The SHAC will address the continued implementation of a Coordinated School Health (CSH) Program including health education, physical education, health services, nutrition services, counseling, healthy school environment, staff health promotion, family/community involvement, and student involvement.

SHAC meeting dates and times are determined at the beginning of the school year. The SHAC is required to meet at least four times a year, and there are opportunities to serve on sub-committees.

To find more information on SHAC and CSH, please see the following websites:

SHAC

El Dallas ISD School Health Advisory Council (SHAC) está en busca de nuevos padres y miembros de la comunidad que tengan interés en la educación de los niños. La función de este consejo es ofrecer guía para asegurar que los valores de la comunidad local se reflejen en el plan de estudios y programas del distrito relacionados con la salud. No tiene ninguna responsabilidad legal dentro del sistema escolar, y los miembros de SHAC deben ser aprobados por la Junta Escolar y cumplir con estatutos por escrito de la organización.

El SHAC se encargará de la implementación continua de un programa de salud escolar coordinado (Coordinated School Health (CSH), por su nombre en inglés) incluyendo educación de la salud, educación física, servicios de salud, servicios de nutrición, consejería, entorno escolar óptimo, participación de la familia y la comunidad, y participación de los estudiantes.

Las fechas y horario para las juntas de SHAC se determinan al principio del año escolar. Se requiere que el SHAC se reúna por lo menos cuatro veces al año, y que haya oportunidades para participar en los subcomités.
